

Dear Pacific Christian Elementary School Parents,

We are excited to be able to provide you with this special offer, just for your PCS child! This is our sixth year offering this service after a huge positive response.

A basic earthquake kit is a requirement for your **Elementary School Child**. In collaboration with PCS Elementary, we would like to make this easy for you by providing a kit that includes food and water with a 5-year shelf life for only \$13.95.

The **PCS Basic Student Kit** fits the PCS requirements. The large zip lock bag also has space to add personal items such as a comfort letter, family picture and/or a small game, if you wish.
